AetworkX

AetworkX Cracked Accounts is a lightweight application that uses a TCP connection to help you download files from the Internet. It

provides users with a clean interface, where they can enter the main URL, the path, the port number and the connection type (HTTP or HTTPS). The files can be saved to your disk with a single click. This is an excellent system. It not only makes no changes to your system's registry, but it removes junk programs by itself and warns you if you have an infection. It is 100% safe and doesn't need you

to do anything. Image Editor and Viewer 6.15 is a program for image processing and viewing. It supports various formats of image files, such as JPEG, GIF, TIFF, PNG, BMP, and RAW formats. It supports image dimensions up to 400000 x 400000 pixels. A simple tool to extract any image right from your clipboard. Just a double click on the extracted image file from your pasteboard and

image viewer will open for preview. You can also specify a second file to extract right from the clipboard. The SpeedGig Grabber Suite is a set of 32 small and fast GUI applications to help you grab contents from your Internet browser, and convert them to a variety of formats including those you want. There is no need for your PC to be permanently loaded with SpeedGig

Grabber. Gui.Grab (also known as Grabber.ini) is a free and easy to use context menu software. You can easily grab contents from Internet browser using your favorite Internet browser, then you can also convert the grabbed contents to the formats you prefer. Design a website for less than \$100. No domain name or hosting fees. Create a professional website for a small business using this free Bootstrap

website builder. Choose from hundreds of predesigned templates and customize with your own content. BlueShow Video Suite is a bundle of applications for viewing video files, capturing video through your webcam, and a video recording software. It provides users with a clean interface, where they can import a video file, preview it, and record it. Spider is a free, light-weight web

browser developed to browse the Internet safely.

With an easy-to-use interface, Spider Browser is very useful for people to surf the Internet via web. It has a lightweight system environment and a high speed downloading system which can save users much of time and make surfing the Internet much more simple and efficient.

AetworkX is a lightweight application that uses a TCP connection to help you download files from the Internet. It provides users with a clean interface, where they can enter the main URL, the path, the port number and the connection type (HTTP or HTTPS). The files can be saved to your disk with a single click. An...
Easy Fare Finder is a

powerful directory list generator program. It allows you to create a list of all visible directories in a directory tree. All directories listed can be saved to a file. The directory list can be viewed or printed. The file can then be redirected to a printer, or saved to disk. IRIS Benchmark is a program for testing and benchmarking of the CPU, memory, HDD, GPU and other components of your

computer system. With built-in benchmarking tests and a simple GUI, this program provides a simple way to test components on your PC. Astudio3D is a simple, easy-to-use 3D-modelling and game-making software package. It includes a set of free 2D and 3D-modelling tools and an animation studio. The package has been designed to allow anyone to create a 3D game. Windows 7 task list

quickly lists and removes your most important Windows 7 tasks and settings. Clean up your Windows 7 desktop, easily find and customize dozens of Windows 7 tasks and settings, and quickly return to your Windows 7 desktop.

EasyPaint 2.12.000

EasyPaint is a standalone paint, graphics and image editing program for Windows (XP, Vista, 7, 8, and 10). It is small (1.5 MB),

simple, and easy to use. EasyPaint is a light-weight image editing program. It is simple, easy, and quick to use, yet has many advanced features. More than 600 additional image processing tools are available.

EZFolderX is a file and folder view software package.

EZFolderX allows you to open and view any folder and files contained in any of the predefined folders (Desktop, My Documents, My

Picture, My Music, My Video, My Favorites or My Downloads). Moreover, EZFolderX offers you the possibility to view the file and folder properties (Date Created, Date Last Modified, Date Accessed, Owners, File Size, Last Access Time, Full Path, Language, Executable, etc.). Easy PPT to PDF Converter is a powerful yet
