Title: Supaplex
Genre: Action, Casual, Indie
Developer:
InArcade
Publisher:
InArcade
Release Date: 9 May, 2018

a09c17d780

English

OK but not as good as the original, the count monitor gets in way of some icons and the original game had a counter across the base of the game screen , you can still get the original game for windows 10 for FREE just google it, also you can not run the game without having steam on your device as they monitor your computer.. Good old classic wonderfully remade, this game was one of the hardest games ever made, if you finish it the game developer actually claimed your some kind of a genius.

I never finished it.. :(
